**Company Profile:** Universal Steel Products, Inc. is a steel product supply company that has been providing steel and metal alloys for more than 25 years to North American customers through professional acumen, entrepreneurial drive, and customer commitment.

**Job Title:** ERP Lead Developer

#### **DESCRIPTION**

Working under general supervision, the Lead Developer is an integral member of the IT team building medium-scale ERP solutions for the company

The Lead Developer is responsible for design, construction, coding and deployment of ERP components and for the quality and maintainability of each component in production.

This position has responsibilities associated with all areas of the IT process, including requirement review and validation, technical design, technology selection, development and implementation.

The person in this position will interact with accounting, production and logistic division several times a week and will adhere to design and architectural considerations provided by the company.

#### **Minimum Qualifications:**

- Minimum 7 years of IT experience in a development environment required.
- Minimum of 5 years of experience in ERP development, concepts, principles, and governance processes required.
- Knowledge and experience with database design, architect, and/or building.
- Knowledge and experience with open interfaces and application programming interfaces (APIs).
- Basic knowledge of manufacturing and accounting principles.
- Bachelor's Degree in Computer Science, or other related field from an accredited program or equivalent work experience required.

#### **Preferred Qualifications:**

- Bilingual in English/Korean
- Experience with Google Sheets is a plus

We offer our employees a competitive salary and comprehensive benefits package including a Pension plan, Health insurance, and subsidized lunch. We are always looking for individuals with the talent and skills required to contribute to our continued growth and success.

**Work Hours:** Full-time (Monday – Friday: 8:30AM – 5:30PM)
